
Help needed ..how to add this Search link

Posted by newtog - 2010/01/14 09:53

Anyone can assist me in add this Virtuemart advanced search to the Raf module:

`index.php?category_id=&page=shop.browse&option=com_virtuemart&Itemid=26&keyword1=keyword1&search_op=and+not&keyword2=keyword2&search_category=0&search_limiter=anywhere&search=Search`
